

# SUPER CONCENTRATED. SUPER EASY. SUPER LIQUID FISH OIL.

A daily dose in one tasty teaspoon or less.

To get the full benefit from omega-3 you may need to take several fish oil capsules per day; not always convenient with today's busy lifestyle. That's why Bio-Organics has developed a super concentrated liquid fish oil, that gives you the omega-3 dose in a teaspoon or less daily. And because the fish oil dose can vary depending on your needs, Bio-Organics offers a range of liquid fish oils – one to help maintain your healthy heart, healthy joints or general wellbeing. Bio-Organics Super Liquid Fish Oil – makes it super easy to get on with your life.
